UKRAINIAN DEMINERS ASSOCIATION NEWS

UDA representatives took part in the Ukraine Recovery Conference 2026 and signed a Memorandum of Cooperation with Japanese partners.

The UDA mechanized demining team continues its training. A tender has been organized, and the procurement process for an EOD robotic system has begun.
UDA UAV pilots enhanced their remote sensing skills during a training session organized by HALO Ukraine.

With the support of Danida, eight UDA specialists received Level 1 Demining Sapper certificates and joined field teams.
